UMOJA SOCCER CLUB

SPRING 2027

BOYS PROGRAM GUIDE

Five teams open for the spring 2027 season.

BOYS U12-U23

CLARKSTON, GEORGIA

UMOJA SOCCER CLUB

Five Umoja teams open for the spring 2027 season: U12 Evolution, U12 Premier, U14 Premier, U17 Elite and U23 UPSL. Every Umoja program opens in August 2027 for the 2027–2028 season.

Every player receives the same experience, whatever his family contributes. Payment and scholarships never factor into evaluation, playing time, or placement.

SPRING 2027 TEAMS

TEAM	PROGRAM	TRAINING WEEK	SPRING FEE
U12	EVOLUTION	Two 60-minute sessions	$825
U12	JUNIOR PREMIER	Three 60-minute sessions	$994
U14	JUNIOR PREMIER	Three 75-minute sessions	$1,225
U17	SENIOR ELITE	Four 105-minute sessions	$1,617
U23	UPSL	Four 2-hour sessions · by invitation	$1,324

Spring 2027 is a half season, charged at half the annual fee. Youth teams play tournaments and friendlies; the UPSL team plays the UPSL Division 1 spring season. Tournament entry, travel, uniforms, and personal equipment are separate; see Fees and Scholarships.

TEAMS

THE SPRING TEAMS

A player is placed by his current level of play, and his place is earned each year.

EVOLUTION

U12

The third tier.

$825

SPRING 2027

TRAINING

Two 60-minute sessions a week

SEASON

Spring 2027, January to May

PLAY

Tournaments and friendlies

The coach builds a team that can play a tournament weekend and still look like itself. Success is a player who keeps his decisions simple under more pressure. Playing time is equal.

JUNIOR PREMIER

U12 / U14

Football beyond the local market.

$994 / $1,225

SPRING 2027

U12 / U14

TRAINING

Three sessions a week: 60 minutes at U12, 75 minutes at U14.

SEASON

Spring 2027, January to May

PLAY

Tournaments and friendlies

The step up is the standard of play and the competition. The coach selects by level of play, and minutes are not the measure of a good season.

SENIOR ELITE

U17

The top of the club.

$1,617

SPRING 2027

TRAINING

Four 105-minute sessions a week

SEASON

Spring 2027, January to May

PLAY

Tournaments and friendlies

Coaches hold a standard visibly above Premier, with a fourth session every week. Success is keeping a place on the team by level of play, and playing time is earned.

UPSL

U23

By invitation.

$1,324

SPRING 2027

TRAINING

Four 2-hour sessions a week

PLAY

UPSL Division 1, spring season

The U23 UPSL team is invite only. Players join by invitation from the club.

PLACEMENT

PLACEMENT AND EVALUATION

Players are placed by current level of play and evaluated across the whole season, never on a single session.

HOW PLAYERS MOVE BETWEEN PROGRAMS

01 The team coach recommends a move in writing, based on the season's notes.

02 The director of coaching confirms or declines the move in writing within a week. Until then, the player stays where he is.

03 The club tells the family the result. Placement decisions rest with the club.

Players U14 and younger may move at midseason, because those ages play fall and spring. Players U15 and older move only after a full season.

Staying in a program and playing it better is a successful season. A repeat year is not a setback when a player is meeting that program's bar.

WHAT COACHES EVALUATE

Every program uses the same four pillars, with no numeric score. The bar rises with each program; the pillars stay the same.

01

COMFORT ON THE BALL

02

DECISIONS IN THE GAME

03

EFFORT AND BEHAVIOR WITH THE GROUP

04

READINESS FOR THE NEXT PROGRAM'S WEEK

Players U14 and younger receive a midseason note and an end-of-season evaluation. Players U15 and older receive the end-of-season evaluation. Families may request their own player's evaluation, which never includes other players' names or a roster order. A disagreement does not change a placement.

PLAYING TIME

From Foundations through Evolution, every player on the match-day roster plays a substantial share of the match across the season. One match can be uneven. The season cannot.

At Premier and Elite, coaches select by level of play, and minutes are not promised. A player who is not starting is still coached for the full session.

ATTENDANCE

Players are expected at every practice and game unless the coach has advance notice or there is an emergency.

FEES

FEES AND SCHOLARSHIPS

Each program has one published fee. Scholarships reduce what a family pays without changing anything about the player’s experience.

THE FEE INCLUDES

- Coaching for every training session and match
- Training fields, home match fields, and referees
- League fees and player registration
- Club staff, insurance, and athletic trainer
- Team equipment

SHARED BEFORE THE SEASON

- Tournament entry, team travel, hotels, and meals
- Uniforms and kit
- Cleats, shin guards, and personal equipment
- Postseason entries, if the team qualifies

PRICES

Fees follow the metro Atlanta market rate, raised where needed so every program covers its cost. Spring 2027 fees are half the annual fee.

PAYMENT PLANS

Families may pay monthly, in two payments, or in four payments. A family with tips or variable income may set a custom plan with one final deadline, paying in the months that work, with no penalty.

SCHOLARSHIPS

Full	75%	50%	25%
Family pays nothing	Family pays 25%	Family pays 50%	Family pays 75%

Travel and kit are shared at the same percentage. Snacks, meals (including meals on trips), cleats, and gear are free for every scholarship player.

A family qualifies for a full scholarship, with no income questions, if it receives free or reduced-price school lunch, SNAP, TANF, Medicaid or PeachCare, WIC, or Head Start; has resettled as refugees within the last five years; has a child in foster care; or is in temporary housing. Other families apply with their household size and income. A family whose numbers don’t tell the whole story should apply and explain.

REFUNDS

Fees are nonrefundable unless Umoja cannot deliver the program or the player leaves because of extenuating circumstances. Fees are not refunded when a player quits or is removed from a team.
